Hello Students, Parents, and Families of Miranda Junior High,

Can you believe we are almost done with the 2020-2021 school year? I am proud of our students for navigating distance learning, learning pods, and hybrid learning. This hasn't been easy for anyone. I am thankful for parents and staff/teachers that have helped our students transition throughout the year. Parents, pat yourselves on your back! As we close out the year, we have some reminders to share.

Important information:

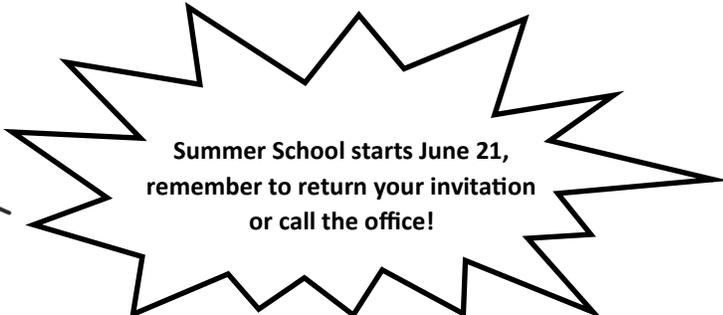

- ⇒ **Students must take the STAR Reading and Math Assessments before June 7.** This replaces the mandatory state testing. In person students will do this with their teachers. Distance learners, check your emails for teacher instructions. Thank you.
- ⇒ Please **return** any **books** from any classes you may have by the end of the year.
- ⇒ **Hotspots and Chromebooks need to be turned in** by the end of the year, remember the charger and box!
- ⇒ **End of year awards** will be during the last day of in person instruction for each group. Due to COVID distancing requirements, this event will be for the students. We will email a Zoom link out to parents to view with the date and times. Thank you for your understanding.
- ⇒ **8th grade promotion is June 10 from 6:00 pm-7:00 pm.** This is a private, **drive through event** with a western theme. The 8th graders will be sent off into the sunset Miranda Mustang style.
8th grade parents: when entering the drive through promotion, please drive into the bus drive/student parking at the high school and follow the one-way signs. This event will also have a **Zoom link for relatives/friends of 8th graders** to watch.

I am thankful for our students and the lively buzz that is our school because of them. I look forward to seeing how far they will go. Junior high is just a stepping stone.

Best Regards,

Jennifer McClure
Principal

**Summer School starts June 21,
remember to return your invitation
or call the office!**
