March 15, 2020

Dear Southern Humboldt Families,

In response to the growing concerns and careful deliberation of many factors regarding the COVID-19 situation, it is with great consideration for our communities emotional and physical health and wellbeing that the District has made the decision to close all schools in the Southern Humboldt Unified School District starting Monday March 16 through Friday March 27, 2020. All additional school and extra-curricular activities including all athletics will postponed until further notice.

It is well known that our schools are the heart of our community and we want to be diligent and proactive in regards to the wellbeing and safety of our students, staff and community as a whole.

Updates will continue to be sent out as decisions are made and as soon as possible, communications outlining some of our plans for services will be sent out.

This is constantly evolving situation and we will continue to diligently monitor updates and we will make all attempts to keep you informed and updated as the situation develops and decisions are made.

Should the need to extend the District closure present itself, that scenario will be carefully considered and notifications sent out immediately.

We will be re-evaluating weekly, continually planning, and families can expect updates from the District each Friday.

Thank you for your continued trust and support.

Don Boyd, Superintendent
Southern Humboldt Unified School District
