Tuberculosis Examination for School Volunteers

Section 49406(m) of the California Education Code requires that: a volunteer in a school shall also be required to have on file with the school a certificate showing that, upon initial volunteer assignment, the person submitted to a tuberculosis risk assessment and, if tuberculosis risk factors were identified, was examined and found to be free of infectious tuberculosis. If no risk factors are identified, an examination is not required.

Thereafter, all volunteers must present evidence of such risk assessment or examination upon initial volunteer assignment.

The examination shall consist of an approved intradermal tuberculin test. If the skin test result is positive it is mandatory that a chest x-ray be taken at the volunteer's expense.

The risk assessment and/or any necessary examinations or tests are at the volunteer's expense.

Tuberculosis Risk Assessment are available at any Public Health Clinic.

Eureka Clinic
Ph.: 707-268-2108

529 I St.
Eureka, CA 95501

Garberville Clinic
Ph.: 707-923-2779

727 Cedar St.
Garberville, CA 95542

Willow Creek Clinic
Ph.: 530-629-2410

77 Walnut Way
Willow Creek, CA 95573

If you have any questions contact Ruthie or Tori at the district office, 707-943-1789.
